Dear Carol,

Thank you so much for agreeing to be part of the Artists Workshop at last Saturday's SJCA/NJSCA Professional Development Workshop. We received nothing but positive comments from the participants. Many of the participants expressed the wish that you come back for another seminar. The materials you presented are extremely useful to artists who need to find alternative methods of securing materials and/or professional enrichment from one another.

We hope you will consider working with us in the future. You contributed a great deal to the quality of the experience for artists. We are very appreciative of your time involved in contributing to the workshop. We wish you well and a swift recovery as you continue your wonderful work.
